Sir:

Applicant respectfully requests that the referenced application be examined as follows:

IN THE CLAIMS:

A clean version of the claims are provided below and a version showing changes follows the remarks per 37 U.S.C. §1.121(c). Please amend the claims as follows:

Sub C 1. (Once Amended) For a computer-executable program that operates on a data structure, where the data structure must have a required state at selected program points, a method of transforming said program comprising the steps of:

(A) analyzing the program to determine the state of said data structure at said selected program points;
